2. Mare Owner agrees to provide Oswood Stallion Station, Inc. with the results of each ICSI procedure no later than 30 days after each transfer.
3. **The terms of this contract are considered fulfilled upon recovery of ONE embryo, whether this embryo is being frozen or transferred into a recipient mare resulting in pregnancy.** If the recipient mare aborts, or the embryo transfer fails, the donor mare may return during the same Breeding Season or the following year ONLY for an additional ICSI procedure, provided all fees have been paid with the original contract.
4. **For On-Site Breedings:**
  - A. Mare Owner will furnish Breeder with a current negative Coggins test, veterinarian's certificate and all current health records. The mare must be halter broke, able to be led, and able to handle safely in the stocks. OSS reserves the right to refuse mares for the safety of staff. Any open mares, excluding maiden mares, will be required to have a current biopsy. If a veterinarian's certificate, Coggins test or biopsy report does not accompany mare, Breeder's veterinarian will examine and/or test mare at Mare Owner's expense. The Breeder reserves the right to accept any mare that is not in proper condition, or does not have all of the records, tests, and registration documentation as required herein.
  - B. Breeder agrees to furnish all facilities for the care and feeding of the mare while in its custody. Mare Owner agrees to pay for care and feed and at the daily rate of \$20.00 for pasture mares, and \$27.00 for stalls.   - C. All mare drop-offs and pickups must occur within the designated breeding season hours, which are as follows: between 7:00 AM and 7:00 PM on weekdays. OSS reserves the right, at its sole discretion, to refuse acceptance of any mare presented for drop-off or pickup outside of the specified timeframes.
  - D. Breeder agrees to try diligently to settle the mare, however, if she fails to settle for any reason, Mare Owner will hold Breeder blameless and return privileges will be granted for the return contract year only.
  - E. The undersigned agrees that the Breeder and its agents, officers, and employees will not be responsible for any accident, injury, sickness, or death to the mare or its foal, whether from flood, fire, theft, Act of God, or for any other reason. The undersigned agrees to and shall indemnify and old harmless Breeder and its officers, agents, and employees from and against any and all claims, losses, damages, causes of action, suits, and liability of every kind, including all expenses of litigation, court costs, and attorney fees, for injury or death to the mare and/or foal. Any person associated with Breeder is not liable for death, or any disease, accident, and/or injury caused to the mare and/or her foal, and that Mare Owner is not liable for the death, or any disease, accident or injury caused to the stallion.

5. **Guaranteed Right To Return:** Stallion Fee is for **one** live foal. A live foal is defined as one that will stand and nurse. If the embryo transfer fails, the recipient mare aborts or produces a stillborn foal, the donor mare may return during the Breeding Season of the following year **ONLY** for an additional ICSI procedure, provided all fees have been paid with the original contract.

Mare Owner agrees to furnish to the Stallion Owner a veterinarian's certificate describing any such occurrence within seven (7) days of the incident. Breeding fee(s) will not be refunded.

6. If the Mare Owner fails to return the mare for breeding the following year, then any and all fees paid shall be forfeited, the right to rebreed is cancelled, and the Stallion Owner is released from all further obligation of the contract, unless otherwise agreed in writing and signed by all parties.

7. If the mare dies or becomes unfit to breed, the Mare Owner may return during this season or the following season **ONLY** with a suitable mare approved by the Stallion Owner without any additional breeding fees.

8. Should the above-named stallion die or become unfit for service for any reason, then this contract shall become null and void and both parties are relieved of any further obligation hereunder, and any monies paid by the Mare Owner toward the Stallion Fee, with the exception of the nonrefundable Farm Fee, shall be refunded to the Mare Owner if the mare is not settled or would qualify for rebreed privileges.

9. Oswood Stallion Station, Inc. only assumes responsibility to ship frozen semen in viable condition and shall not be held liable for contamination of semen during and after shipment, loss of viability, or any costs arising from shipments delayed, damaged, or lost in transit. Mare Owner agrees to use all frozen semen provided by the Agreement for the mare named in this Agreement and no other.

Mare Owner may deposit additional funds with Oswood Stallion Station, Inc. or provide Breeder with credit card information below. Monthly statements will be mailed/E-billed for services provided and charges made, or deposits used. If any statement becomes more than 30 days overdue, all obligations of Stallion Owner shall cease, and the unpaid amount will be subject to a finance charge of 1.5% per month or the maximum rate allowed by law.

11. In the event that any check tendered by the Client is returned unpaid by the issuing financial institution for any reason, including but not limited to insufficient funds or a closed account, the Client shall be liable for a returned check fee in the amount of fifty dollars (\$50.00) per occurrence.

#### **12. Frozen Semen Shipments:**

A Frozen Semen Shipment includes the processing and shipping of frozen semen. The frozen semen will be distributed by Oswood Stallion Station, Inc. All requests and fees will be administered by Oswood Stallion Station, Inc. In addition to the agreed Farm Fee, Booking Fee, and Stud Fee, the following semen shipment charges will apply:

A. **New Contract:** The farm fee includes one ICSI breeding dose which is equivalent to one straw.

B. **Vitrified (Frozen) Embryos:** Mare Owner agrees to notify Oswood Stallion Station, Inc. that the embryo was vitrified within 48 hours of recovery. If vitrified embryos are utilized in the off season (from July 1st through January 31st), then the contract is considered fulfilled. Any further rebreed rights are at the discretion of the stallion owner and to be agreed upon up front and in writing. **All frozen embryos being transferred in a later year must be reported to Oswood Stallion Station, Inc. upon positive pregnancy check. For each frozen embryo not reported on time, a penalty of \$1,000.00 for administrative fees will be assessed.**

C. All nomination fees are solely the responsibility of the Mare Owner. Stallion Owner is **not** obligated to continue enrollment of the stallion in annual incentive programs past this initial contract year.

D. If Mare Owner fails to file any Frozen Embryo Permit(s) as required by the respective breed association(s), any and all late reporting fees to facilitate foal registration imposed on the Stallion Owner will be charged back to the Mare Owner and must be paid prior to the Breeder's Certificate(s) being released.

E. For all off-season ICSI breedings done after October 15th of this contract year, the Mare Owner will bear the late reporting fee(s) imposed on the Stallion Owner by the respective breed association(s).

13. **Mare Owner will be required to pay \$1,750.00 plus \$675 Farm Fee for any additional embryos transferred during this contract calendar year resulting in live foals, or else the full breeding fee plus farm fee in effect at the time the frozen embryo(s) result in a confirmed pregnancy.** Additional Breeder's Certificate(s) will be issued upon receipt of all required fees. Additional ICSI doses, if necessary, will be paid for in advance by the Mare Owner at the rate of \$200.00 per straw. Shipping Fees (within United States): \$415.00 for standard FedEx Priority Overnight service. No counter to counter shipping will be provided.

14. Frozen semen is shipped on a per mare cycle basis, with a maximum of only **one** ICSI dose per shipment allowed. A handling fee of \$100.00 for the handling and transferring of the frozen semen to the shipping tank will be assessed. This fee does include the charging/nitrogen fill of the cryopoter prior to shipment.

15. All rebreeds and donated breedings are subject to a \$675.00 Farm Fee. Receipt of buyer's confirmation must be provided prior to issuance of contract.

16. International Fees: For standard overnight services to Canada, the charge is \$500.00, plus any surcharges that may apply, in addition to the fee of the International Health Certificate. Shipping to other countries will be charged in accordance with the fees pertaining to the actual shipping, customs and duty fees that exceed the normal cost for shipping within the domestic United States.

17. **A \$1,250.00 container deposit is due before every shipment of frozen semen.** Compensation for any loss or damage to the container will be responsibility of the Mare Owner. Any compensation for loss or damage will be deducted from the deposit. The deposit may also be held until any balance due for shipping expenses has been paid. The container must be returned within 7 days of arrival. If not returned within 7 days, Mare Owner will be charged \$75.00 per day late fee until dry shipper is returned. The late fee will be deducted from the deposit. Failure to comply with this term will result in forfeit of the container deposit and another deposit would then be required to receive further shipments. The full deposit will be refunded to the Mare Owner only if the container is returned to Oswood Stallion Station, Inc. in the same condition it departed and within the time frame allotted.

In cases where all applicable fees have been paid in full, but the contract was not utilized during the originally designated breeding season, the contract holder shall be entitled to a one-time deferral, limited to the immediate subsequent breeding season only. Failure to utilize the contract within that one-year period shall result in forfeiture of all rights under the contract without refund or further obligation on the part of the stallion owner.
